MEMORANDUM FOR: Chief, DDO/OPS/INT/RC

SUBJECT : DDO Information Report Formats

1. Executive Order 11652 and the implementing National Security Council Directive of 17 May 1972 contain some changes in the warning notices utilized for various types of classified documents. As a result of these changes, the production components of the DDI and the DDS&T have recently modified the formats of their pre-printed covers to bring them into compliance in this area.

2. In reviewing certain DDO information report series (examples are attached), certain revisions appear to be in order. Consideration of the following changes is therefore suggested:
